October 5, 2007

To: Our valued customers,

We have been experiencing dramatic cost increases of several key raw materials in the past six months as well as the fuel surcharge increase of transportation, so it is necessary to increase the price of all Optix<sup>®</sup> PMMA products as follows:

<u>Product Type</u>	<u>Price Increase (\$/LB)</u>
General Purpose Grades	0.06
Impact-Modified Grades	0.06
STAR-15 and STAR-15 HID	0.06

This price increase will be effective with shipments on or after November 5, 2007.

Your account manager will be contacting you regarding this price increase. Your kind understanding is very much appreciated.

Plaskolite West Inc. will continue to provide you with the highest quality products and service.

Sincerely,

Jason Shen  
General Manager  
Plaskolite West Inc.
