September 28, 2005

TO: Our Valued Customers,

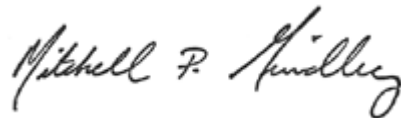

Effective on shipments October 28, 2005, all Plaskolite **Acrylic & Styrene Sheet Products** will increase eight percent (8%).

The cost of all of the major raw materials to produce MMA have increased and are in tight supply. Future allocations and continued increases in raw materials are possible.

Plaskolite appreciates your continued support of our products during these difficult times.

Please contact your Plaskolite Sales Manager with any questions.

Sincerely,

Mitchell P. Grindley  
Vice President, Marketing
